# Torah School Family Shabbat Program

Join us each month as we celebrate Shabbat, together as a family and community. We will have wine, cheese, fruit and a kid's dinner for nosh, and ongoing art projects so your family can create your own Shabbat traditions. *There is no cost for these events.* Each family will be provided with a Shabbat set (to keep at TBT) as we will light candles and say blessings at the start of our evening.
