# TOT SHABBAT

Young children are at a very spiritual age –  
let's nurture their sense of awe,  
their connection to God  
and a deep and emotional attachment  
to the sanctuary and spirituality!

**Creating a Spiritual Place: Helping Your Child Develop a Connection to Prayer and to Being in a Praying Community**

**We are partners in teaching your children that:**

- \* The classroom is a learning place
- \* The playground is a social place
- \* The sanctuary is a spiritual place

**Together, let's teach them how to respond to each place so they can have wonderful learning experiences, playing experiences, and family spiritual experiences!**
