

DID YOU KNOW...

THAT MORE JEWS ATTEND PASSOVER SEDER

THAN ANY OTHER JEWISH CELEBRATION ALL YEAR?

Dear Congregant,

Seder is what links the Jewish people together as one people, more than any other ritual. But because it is dinner, and because there are ritual foods that are the heart of the seder experience, the cost of a seder meal can be expensive.

A few years ago, TBT determined to make Seder affordable to all who wanted to participate. We vowed to cut the price dramatically, and to ask members of our community to help underwrite the expense...so that cost would not keep even one Jew, not one young family, from being at a community seder table.

This letter invites you to be one of our "Mensch Sponsors", as we seek to raise \$3,000 to underwrite expenses for the more than 200 people who attend each year. We list all of our Mensch Sponsors, to honor those of you who help us make this mitzvah a reality. Please consider sponsorship, by returning the bottom of this letter!

We wish you and your family all the joy that comes with the traditions of Passover!

Rabbi Lisa Hochberg-Miller, Sara Alviani (VP Worship & Celebration), Karen Kinrose, (seder chair)
