

# When you are homeless...

## What does it mean to sleep in a bed?

**Be a part of TBT's Social Action Committee's campaign to purchase at least 10 beds for Ventura's new permanent homeless shelter The ARCH (All Roads Connect to Home).**

**Beds must be purchased by the end of January!**

This new 55-bed transitional housing center will house and offer support services to those looking to end their homelessness. Each bed costs \$500.

**We invite every Torah School class, every Havurah, every Rosh Hodesh group, our auxiliaries and boards to PURCHASE ONE BED!**

Please make checks payable to TBT with ARCH on memo line.
