

## Children's World Preschool Open House

National School of Choice Week is the nation's largest celebration of school choice and to spotlight effective education options for all children. Children's World invites you to join us on Tuesday, January 28, 2020 from 6:00-7:30pm for an Open House.

Children's World is a non-denominational school that was started over 50 years ago to give families another option for their child's education. We do not teach religion nor celebrate the national holidays in the classrooms. We offer the following programs:

- Reggio Emilia
- Traditional Preschool
- Transitional Kindergarten
- Toddler program

In addition to our preschool programs we offer:

- Early Care starting at 7:30am
- Extended School Hours: 8:30am-12:30pm
- Enrichment Programs such as Art, Cooking, Spanish and Soccer
- Late Care Hours: We close at 5:30pm Monday-Thursday and 4:00pm on Friday.
